

FEB. 20-21, 2016 – SAN JOSE, CALIFORNIA MAY 7-8 – EAST COAST (DETAILS TO COME) TEAM USA PROSPECTS TRAINING CAMP

Team USA will be hosting a series of Team USA Prospects Training Camps throughout 2016 to identify and select prospective team members to represent AUSKF in the 17th World Kendo Championships.

We are excited to be able to train and prepare the next generation of U.S. kenshi to represent AUSKF. Those kenshi that dream to become Team USA members should plan to attend all of these Team USA Prospects Training Camps, to the extent possible, so that they can understand what it takes to be a Team USA member.

Participants must be at least Sho-dan (1 dan) and registered members of AUSKF. There are no age restrictions but kenshi must be willing and able to participate in high-level national team level trainings. Email questions to info@AUSKF-Education.com.
